

24. “Unknown Claims” means any Released Class Claims or any Released Derivative Claims which any Class Plaintiff or Class Member (as to Released Class Claims), and/or the Derivative Plaintiff, any Current DHB Shareholder, or DHB (as to Released Derivative Claims), respectively, does not know of or suspect to exist in his, her or its favor at the time of the release of the Released Class Persons and/or the Released Derivative Persons which, if known by him, her or it, might have affected his, her or its settlement with, and release of, the Released Class Persons and/or Released Derivative Persons, or might have affected his, her or its decision not to object to this Settlement. With respect to any and all Released Class Claims and Released Derivative Claims, the Settling Parties stipulate and agree that, upon the Effective Date, the Class Plaintiffs, the Derivative Plaintiff and DHB, and each of the Class Members and the Current DHB Shareholders, shall be deemed to have, and by operation of the Judgments shall have, waived the provisions, rights and benefits of California Civil Code §1542, which provides:

A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.

The Class Plaintiffs, the Derivative Plaintiff and DHB, and each of the Class Members and the Current DHB Shareholders, shall be deemed to have, and by operation of the Judgments shall have, waived any and all provisions, rights and benefits conferred by any law of any state or territory of the United States, or principle of common law, which is similar, comparable or equivalent to California Civil Code §1542. Each of the Class Plaintiffs, the Derivative Plaintiff, the Class Members, DHB, and the Current DHB Shareholders, may hereafter discover facts in addition to or different from those which he, she or it now knows or believes to be true with respect to the Released Class Claims or Released Derivative Claims, but each Class Plaintiff, Derivative Plaintiff and DHB, and each of the Class Members and the Current DHB Shareholders, upon the Effective Date, shall be deemed to have, and by operation of the Judgments shall have, fully, finally, and

forever settled and released any and all Released Class Claims and Released Derivative Claims, respectively, known or unknown, suspected or unsuspected, contingent or non-contingent, accrued or unaccrued, whether or not concealed or hidden, which now exist, or heretofore have existed upon any theory of law or equity now existing or coming into existence in the future, including, but not limited to, conduct which is negligent, intentional, with or without malice, or a breach of any duty, law or rule, without regard to the subsequent discovery or existence of such different or additional facts. The Class Plaintiffs, the Derivative Plaintiff, DHB, and the Class Members and the Current DHB Shareholders, shall be deemed by operation of the Judgments to have acknowledged that the foregoing waivers were separately bargained for and are key elements of the Settlement of which this release is a part.

III. THE CLASS ACTIONS AND THE DERIVATIVE ACTIONS

On and after September 9, 2005, multiple actions were filed in the Court as class actions on behalf of persons who purchased the publicly traded shares of DHB alleging violations of §§10(b) and 20(a) of the Securities Exchange Act of 1934 (15 U.S.C. §§78(j)(b) and 78(t)). The complaints made allegations that DHB's stock price was artificially inflated by the dissemination of materially false and misleading statements about the quality of DHB's products, its government contracts, and the value of its inventory which resulted in significant damage to class members when the truth was revealed. On January 31, 2006, the Court consolidated the class actions filed as *In re DHB Industries, Inc. Sec. Litig.*, No. CV 05-4296(JS)(ETB) and appointed RS Holdings, NECA-IBEW Pension Fund (the "Decatur Group") and George Baciú as Lead Plaintiffs (the "Class Plaintiffs") pursuant to provisions of the Private Securities Litigation Reform Act of 1995 (the "PSLRA") and approved the Class Plaintiffs' choice of Lerach Coughlin Stoia Geller Rudman & Robbins LLP and Labaton Sucharow & Rudoff LLP as Lead Counsel ("Class Plaintiffs' Counsel"). On _____, 2007, the Court certified a Class for settlement purposes only. The Class is defined at §II.3, above.

On and after September 14, 2005, multiple actions were filed in the Court as derivative actions on behalf of DHB. The complaints in the derivative actions generally allege causes of action for breach of fiduciary duty, abuse of control, gross mismanagement, waste of corporate assets, and unjust enrichment. On January 31, 2006, the Court consolidated the derivative actions filed as *In re DHB Industries, Inc. Derivative Litigation*, No. CV 05-4345(JS)(ETB) and appointed Robbins Umeda & Fink, LLP and Law Offices of Thomas G. Amon as Co-Lead Counsel in the Derivative Action.

The Class Action is being settled contemporaneously with the Derivative Action (collectively, the “Actions”). Approval of the Settlement of the Class Action is a condition to the effectiveness of the Settlement of the Derivative Action, and vice versa. A separate “Notice of Pendency and Settlement of Derivative Action” is being sent to the Current DHB Shareholders, contemporaneously herewith.

IV. CLAIMS OF THE CLASS PLAINTIFFS AND BENEFITS OF SETTLEMENT

The Class Plaintiffs believe that the claims asserted in the Class Action have merit. However, Class Plaintiffs and Class Plaintiffs’ Counsel recognize and acknowledge the expense and length of continued proceedings necessary to prosecute the Class Action against the Class Defendants through trial and appeal. Class Plaintiffs and Class Plaintiffs’ Counsel also have taken into account the uncertain outcome and the risk of any litigation, especially in complex actions such as the Class Action, as well as the difficulties and delays inherent in such litigation. Class Plaintiffs and Class Plaintiffs’ Counsel also are mindful of the inherent problems of proof of, and possible defenses to, the violations asserted in the Class Action. Class Plaintiffs and Class Plaintiffs’ Counsel believe that the Settlement set forth in the Stipulation confers substantial benefits upon and is in the best interests of the Class and each of the Members of the Class.

V. DEFENDANTS' STATEMENT AND DENIALS OF WRONGDOING AND LIABILITY

The Defendants have denied and continue to deny each and all of the claims and contentions alleged by the Class Plaintiffs in the Class Action. The Defendants expressly have denied and continue to deny all charges of wrongdoing or liability against them or any of them arising out of any of the conduct, statements, acts or omissions alleged, or that could have been alleged, in the Class Action. The Defendants also have denied and continue to deny, *inter alia*, the allegations that the Class Plaintiffs or Class Members have suffered any damage, that the price of DHB securities was artificially inflated by reason of alleged misrepresentations, non-disclosures or otherwise, or that the Class Plaintiffs or the Class Members were harmed by any of the conduct alleged in the Class Action.

Nonetheless, the Defendants have concluded that further conduct of the Class Action would be protracted, expensive, and distracting to DHB and its management and that it is desirable that the Class Action be fully and finally settled in the manner and upon the terms and conditions set forth in this Stipulation. The Defendants also have taken into account the uncertainty and risks inherent in any litigation, especially in complex cases like the Class Action. The Defendants have, therefore, determined that it is desirable that the Class Action be settled in the manner and upon the terms and conditions set forth in the Stipulation.

VI. TERMS OF THE PROPOSED SETTLEMENT

The Settlement Fund ("Settlement Fund") consists of \$34.9 million in cash and 3,184,713 shares of DHB common stock. Approximately \$12.9 million of the cash portion of the Settlement Fund has been funded by DHB's directors' and officers' liability insurers. The balance of the cash portion of the Settlement Fund was generated through two stock transactions between Defendant David H. Brooks and DHB. Mr. Brooks exercised a warrant for 3,000,000 shares of DHB common

stock at a price which was above both the exercise price of the warrant and the market price of DHB's common stock at the time, in mid-July, 2006, when the parties' agreed in principle to settle; in a private placement transaction, Mr. Brooks purchased an additional 3,007,099 shares of DHB common stock from the Company (again, at above the market price of the stock at that time). The money received from Mr. Brooks in these transactions was used to fund the Settlement.

A portion of the settlement proceeds will be used for certain administrative expenses, including costs of printing and mailing notice of the Settlement, the cost of publishing a newspaper notice, payment of any taxes assessed against the Settlement Fund and costs associated with the processing of claims submitted. In addition, as explained below, a portion of the Settlement Fund may be awarded by the Court to Class Plaintiffs' Counsel as attorneys' fees and for reimbursement of out-of-pocket expenses. The balance of the Settlement Fund (the "Net Settlement Fund") will be distributed according to the Plan of Allocation described below to the Class Members in the Class who submit valid and timely Proof of Claim and Release forms.

In addition to the Settlement Fund, DHB, through its Board of Directors, shall adopt the corporate governance provisions set forth below. The corporate governance provisions set forth below were jointly developed and negotiated by the Class Plaintiffs, the Derivative Plaintiff and Counsel in the Class Action and Counsel in the Derivative Action.

DHB shall adopt the following Corporate Governance Principles and Policies no later than the Effective Date of the Settlement, or as soon as practicable thereafter, and shall maintain the same in effect for at least two years. Nothing in these Principles and Policies shall dilute any existing or future legal requirements to which DHB is subject as a public corporation or as a publicly-traded stock on any national listing.

CORPORATE GOVERNANCE PRINCIPLES AND POLICIES

A. THE ROLE OF THE BOARD OF DIRECTORS

1. Direct the Affairs of DHB Industries Inc. (the “Company”) for the Benefit of Stockholders

The primary responsibility of directors is to oversee the affairs of the Company for the benefit of stockholders. The Board of Directors (the “Board”) agrees that day-to-day management of the Company is the responsibility of management and that the role of the Board is to oversee management’s performance of that function. The Board shall also mandate and administer a corporate compliance program, which shall include the creation of a Company Code of Business and Ethics, the maintenance of accounting, financial and other controls, and the review of the adequacy of such controls.

2. Long Range Strategy Development

Long range strategic issues should be discussed as a matter of course at regular Board meetings. The Board may choose to devote one of its regularly scheduled meetings exclusively to strategic planning.

3. Review of Financial Goals and Performance

The Board reviews the annual operating plan and specific goals at the start of the fiscal year and financial performance quarterly (actual and in comparison to plan). The Board also believes it is important to establish and evaluate both short and long term objectives.

4. Ethical Business Environment

The Board insists on an ethical business environment that focuses on adherence to both the letter and the spirit of regulatory and legal mandates. The Board expects that management will conduct operations in a manner supportive of this view. The Board is committed to avoiding any transactions that compromise, or appear to compromise, director independence. The Company shall prepare for the Board’s review and approval a Code of Business Conduct and Ethics, and shall receive periodic reports from the Company’s General Counsel with respect to such Code.

5. Chairman and Chief Executive Officer Performance Evaluation

The Chairman and Chief Executive Officer’s performance should be evaluated annually and as a regular part of any decision with respect to their respective compensation. The Board shall delegate the performance and compensation evaluation as it deems appropriate to specified Board members or to the Compensation Committee of the Board. Notwithstanding such delegation, however, the Board as a whole shall be responsible for the oversight of the

Chairman, Chief Executive Officer and senior management. The offices of the Chairman and the Chief Executive Officer may be from time to time combined and may be from time to time separated. The Board has discretion in combining or separating the positions as it deems appropriate in light of prevailing circumstances.

6. Succession Planning

The Board is responsible for succession planning. The Board will have the Chairman and Chief Executive Officer annually review with the independent directors the abilities of the key senior managers and their likely successors. Additionally, the independent directors may meet periodically to discuss, among other things, management succession issues. As part of the succession and development process, the Board, or at the Board's direction, the Compensation Committee, will familiarize itself with the Chairman's and Chief Executive Officer's direct reports through periodic management and operating reports and meetings. The independent directors shall call a meeting upon any sudden temporary or permanent incapacity of the Chairman or Chief Executive Officer.

7. Material Transactions

The Board shall evaluate and, if appropriate, approve all material Company transactions not arising in the ordinary course of business.

8. Stockholder Communications; Attendance at Annual Stockholders Meetings

The Board shall establish procedures to allow for stockholders to communicate directly with the Board, the non-management directors, and the committees of the Board. To further facilitate stockholder communication with the Board, all directors are encouraged to attend the Company's Annual Meeting of Stockholders.

9. Governing Documents

In the event of any conflict between the Company's Certificate of Incorporation, By-laws and these Principles and Policies, the Certificate shall first govern and next the By-law and then these Principles and Policies, in that order.

B. MEETINGS OF THE BOARD OF DIRECTORS

1. Selection of Chairman of the Board

The Chairman of the Board shall be selected by the Board. The Chairman will be elected annually and shall serve at the pleasure of the Board.

2. Frequency of Meetings

The Board will regularly meet at least one time each quarter and one quarterly meeting may be in conjunction with the annual meeting of stockholders. An annual calendar for the succeeding year will be agreed upon from time to time. Special meetings may be called as necessary.

While the Board recognizes that directors discharge their duties in a variety of ways, including personal meetings and telephone contact with management and others regarding the business and affairs of the Company, the Board shall inform its members that it feels it is the responsibility of individual directors to make themselves available to attend both regular and special Board and committee meetings on a consistent basis. Active attendance at meetings shall be taken into account in the determination whether to nominate for reelection any director.

3. Meetings of Independent Directors

Independent directors should meet routinely and regularly without management as they deem appropriate in their discretion, and should meet at any time upon the request of any director.

4. Access to Management and Outside Experts

Board members shall have reasonable direct access to the Chairman, Chief Executive Officer, Chief Operating Officer and General Counsel, in their discretion. The Board shall have access to other members of senior management on a case by case basis after a courtesy call to the Chairman or Chief Executive Officer. Upon prior notice to the Chairman and/or General Counsel, the Board or a Board committee may seek legal or other expert advice from a source independent of management. Board members will use judgment to ensure that contact with management is not distracting to the business operation of the Company and that such contact, if in writing, be copied to the Chairman, Chief Executive Officer and General Counsel.

5. Attendance of Non-Directors at Meetings

The Chairman and the Chief Executive Officer shall have discretion to invite any members of management, other Company employees or third parties they deem appropriate to attend Board meetings at appropriate times, subject to the Board's right to request that such attendance be limited or discontinued. The Board shall have the authority to request non-management guests to sign a confidentiality agreement in form satisfactory to the General Counsel prior to such guest's participation in any Board or committee meeting. The Board and committees may exclude any guest from part or all of any meeting upon its determination that it is in the best interests of the Company to do so.

6. Agendas and Presentations

The Board shall indicate it believes the Chairman and Chief Executive Officer are jointly responsible, and should establish, the agenda for each Board meeting, taking into account suggestions of Board members. Board members may include particular items on the agenda by contacting the Chairman and the Chief Executive Officer and the Chairman and Chief Executive Officer are expected to ask directors for their suggestions or opinions on possible agenda items before each meeting.

As with the agenda, the Board shall indicate it believes that the Chairman and Chief Executive Officer should determine the form of each presentation to the Board and the person to make such presentation. Each meeting should include reports from the Board committees, as appropriate.

It shall be the policy of the Board that the Chief Executive Officer or Chief Financial Officer will give a presentation on the financial and operating results of the Company and related issues at each Board meeting.

7. Information Flow

The Board shall receive salient information helpful in understanding the presentations, discussions and issues to be covered at such meeting, in writing and sufficiently in advance of such meeting to permit appropriate review. Where appropriate, longer and more complex documents shall contain executive summaries. Absent unusual circumstances, in no event will such information be distributed less than three days in advance of any regular Board meeting and 24 hours in advance of any special meeting.

The Board shall periodically review the information flow to Board members to ensure that directors receive the right kind and amount of information from management in sufficient time to prepare for meetings. The Chairman or Chief Executive Officer, or their designee, shall coordinate the information flow to the directors, periodically discuss director satisfaction with Board materials with individual directors and encourage directors to offer suggestions on materials. In addition, this topic shall be considered annually by the independent directors as part of its regular review of Board performance.

8. Additional Service

From time to time the Company may request the services of a Board member other than in his or her capacity as a director. In such situations, before assigning any task to a Board member that would require additional compensation, the Chairman, Chief Executive Officer or General Counsel shall first review such assignment with the Compensation Committee. Any Board member requested to perform services by the Company that he or she believes do not lie within his or her capacity as a director, shall inform the Compensation Committee prior to accepting such

assignment. Any such engagement will be consistent with the independence requirements of the American Stock Exchange.

C. BOARD STRUCTURE

1. Composition of Board

The majority of the members of the Board shall be independent directors. Independent directors should have appropriate skills and characteristics required of Board members. This assessment should include issues of diversity, age and skills, all in the context of an assessment of the perceived needs of the Board at that point in time. Unless otherwise determined by a majority of the independent directors, all independent directors shall offer their resignation as a matter of course upon a change in employer or other significant changes in their professional roles or responsibilities that might reasonably be seen to affect their ability to serve, and the Board shall consider the appropriateness of continued service in light of such changes. Any such resignation shall be communicated to the Chairman or Chief Executive Officer and may be considered by the Board or by the independent directors.

The Chairman, Chief Executive Officer, and any other directors other than independent directors, shall offer his or her resignation from the Board as a matter of course upon resignation or any other significant change in his or her professional roles or responsibilities, unless otherwise provided in such individual's employment, consulting or other agreement with the Company.

Any resignation submitted as a matter of course shall be reviewed by the Board as a whole or at the Board's direction the independent directors, and, if the Board or such independent directors determines that such director continues to contribute significantly to the Company, the director's membership on the Board may continue.

To the extent that they serve on DHB's Board of Directors at the time of the Effective Date of the settlement, Cary Chasin, Gary Nadelman and Barry Berkman shall be replaced as Board members within one year. Upon cessation of employment and/or service on the Board of Directors, David H. Brooks, Terry Brooks, Dawn Schlegel, Sandra Hatfield, Cary Chasin, Jerome Krantz, Gary Nadelman, Barry Berkman and Jeffrey Brooks will be barred for a period of 5 years from any employment (direct or indirect) at DHB or any of its subsidiaries or affiliates (but not including Tactical Armor Products, Inc., if the same may be deemed to be such an affiliate), including, but not limited to, serving in any manner of consultant or in any capacity on or in service to the Board of Directors.

2. Definition of Independent Director

The Board of Directors defines an "independent director" as a director who, in the opinion of the Board meets the independence requirements of the American Stock Exchange or other market or exchange on which the Company's stock may be

listed. To evaluate “independence,” the Board may consider all relevant factors. The Board recognizes that director independence is an issue that is actively being reviewed by multiple constituencies and may amend its criteria for determining what constitutes an “independent director” to reflect changing standards.

3. Size of the Board

The Board acknowledges that it should not be too large and understands that the size of the Board will fluctuate from time to time depending on circumstances. The independent directors will make recommendations regarding increasing or decreasing size from time to time.

4. Director Retirement Age and Term Limits

The Board believes that consistent quality in the directorship can be achieved effectively without term limits or any mandatory retirement age. However, each director shall stand for election or re-election annually and serve a one-year term.

5. Director Appointments

A majority of the independent directors shall nominate candidates for election to the Board. It is the independent directors’ responsibility to make director recommendations to the full Board for appointments to fill vacancies of any unexpired term on the Board and to recommend nominees for submission to stockholders for approval at the time of the Annual Meeting.

The Company does not set specific criteria for directors except to the extent required to meet applicable legal, regulatory and exchange requirements. The Board shall seek candidates that show evidence of leadership in their particular field, have broad experience and the ability to exercise sound business judgment, have specific knowledge about the Company’s business and be able to network in a way to promote the Company’s interests.

6. Director Evaluation

The independent directors shall prepare, for the Board’s review and approval, Board and director assessment methods and criteria, taking the Chairman’s and Chief Executive Officer’s views into consideration. The independent directors shall annually evaluate the Board’s overall performance and evaluate individual directors performance using the Board approved methods and criteria for such review.

7. Director Compensation and Stock Ownership

The Board believes that the level of director compensation generally should be competitive with that paid to directors of other corporations of similar size and profile in the United States. The Compensation Committee is responsible for making recommendations for the full Board’s review and approval with respect to director compensation and benefit programs.

8. Interlocking Directorates

All directors shall seek approval from the independent directors prior to accepting any other board memberships in for-profit companies to avoid legally impermissible interlocking directorships or other conflicts of interest; provided that no director shall serve on more than four (4) outside public boards of for-profit companies. Similarly, the Chairman, Chief Executive Officer and other members of management shall seek approval of the Board prior to accepting outside board memberships in for-profit companies.

D. COMMITTEES OF THE BOARD

1. Number and Types of Committees

The Board shall create and disband committees depending on the particular interests of the Board, issues facing the Company and legal requirements. The current “standing” committees of the Board (that is, committees expected to operate over an extended period) are the Audit Committee, the Compensation Committee, and the Corporate Governance Committee. Each Committee shall be comprised solely of Independent Directors, as described in §C.2. The independent directors shall periodically recommend changes to the composition of the Board committees. Directors shall be free to make suggestions regarding committees at any time and are encouraged to do so. The Board shall consider from time to time the committee structure as part of the review of overall Board effectiveness. The composition, members and responsibilities will also be defined periodically by the Board.

2. Assignment and Rotation of Committee Members

The Board shall make assignments within the following guidelines: assignments may be rotated periodically, though not necessarily within any specified time frame; all shall be comprised solely of independent directors; and committee assignments must comply with any applicable stock exchange and legal requirements. The Chairman of the Audit Committee and other Audit Committee members shall meet the financial sophistication and independence requirements of the American Stock Exchange and applicable law.

3. Frequency of Committee Meetings

Management will generally recommend an annual committee meeting schedule for all standing committees, but it shall be the responsibility of committee chairpersons, in consultation with committee members, to determine the frequency and length of committee meetings. The Audit Committee will meet at least quarterly; other committees will meet at least twice annually.

4. Committee Agendas

Committee chairpersons, in consultation with appropriate members of management and committee members, shall determine committee agendas. Any

director may suggest an item for consideration as part of any committee agenda. The Chief Financial Officer will act as the primary management liaison to provide committees requested financial data and analyses. The General Counsel will act as the management liaison to assemble and distribute agendas and facilitate minutes and reports preparation.

5. Committee Reports

Reports of committee meetings are submitted to the full Board following each committee meeting. Committee actions shall be binding consistent with such Committee's charter and applicable corporate law. Committee chairpersons shall be offered the opportunity to comment or report on committee activities at each Board meeting.

6. Specific Roles and Responsibilities

The specific roles and responsibilities of each committee shall be outlined in their respective charters.

In addition to the foregoing, as additional consideration for the Settlement, David H. Brooks has voluntarily resigned from the Board of Directors of DHB and from all of the other positions held by him in DHB and its subsidiaries. In addition, to the extent that they serve on DHB's Board of Directors at the time of the Effective Date of the Settlement, Cary Chasin, Gary Nadelman and Barry Berkman shall be replaced as Board members within one year thereafter. Also, upon cessation of employment and/or service on the Board of Directors, and for a period of five years thereafter, David H. Brooks, Dawn Schlegel, Sandra Hatfield, Cary Chasin, Jerome Krantz, Gary Nadelman and Barry Berkman will not be employed (directly or indirectly) by DHB or any of its subsidiaries or affiliates (but not including Tactical Armor Products, Inc., if the same may be deemed to be such an affiliate), including, but not limited to, serving in any manner of consultant or in any capacity on or in service to the Board of Directors. This same restriction on employment shall apply to Terry Brooks and Jeffrey Brooks, commencing as of the Effective Date.

VII. PLAN OF ALLOCATION

The Net Settlement Fund will be distributed to Class Members who submit valid and timely Proof of Claim and Release forms (“Authorized Claimants”) under the Plan of Allocation described here. You will be eligible to participate in the distribution of the Net Settlement Fund only if you have a net loss on all transactions in DHB securities.

To the extent there are sufficient funds in the Net Settlement Fund, each Authorized Claimant will receive an amount equal to the Authorized Claimant’s claim, as defined below. If, however, the amount in the Net Settlement Fund is not sufficient to permit payment of the total claim of each Authorized Claimant, then each Authorized Claimant shall be paid the percentage of the Net Settlement Fund that each Authorized Claimant’s claim bears to the total of the claims of all Authorized Claimants. Payment in this manner shall be deemed conclusive against all Authorized Claimants.

A “Claim” will be calculated as follows:

(b) not owned at the end of one of the following dates: March 16, 2005, April 14, 2005, July 28, 2005, or August 29, 2005, the claim per call option is \$0.

2. For call options on DHB common stock written between November 18, 2003 through November 30, 2006, the claim per call option is \$0.

PUT OPTIONS

1. For put options on DHB common stock written between November 18, 2003 through November 30, 2006, and

(a) owned at the end of one of the following dates: March 16, 2005, April 14, 2005, July 28, 2005, or August 29, 2005, the claim per put option is the difference between the amount paid upon settlement of the put option contract less the initial proceeds received upon the sale of the put option contract;

(b) not owned at the end of one of the following dates: March 16, 2005, April 14, 2005, July 28, 2005, or August 29, 2005, the claim per put option is \$0.

If the option was exercised for DHB common stock, the amount paid, or proceeds received, upon the settlement of the option contract equals the intrinsic value of the option using DHB common stock's closing price on the date the option was exercised.

The combined recovery for the call option and put options shall not exceed 3% of the Net Settlement Fund.

For Class Members who held shares at the beginning of the Class Period or made multiple purchases or sales during the Class Period, the first-in, first-out ("FIFO") method will be applied to such holdings, purchases and sales for purposes of calculating a claim. Under the FIFO method, sales of shares during the Class Period will be matched, in chronological order, first against shares held at the beginning of the Class Period. The remaining sales of shares during the Class Period will then be matched, in chronological order, against shares purchased during the Class Period.

A Class Member will be eligible to receive a distribution from the Net Settlement Fund only if that Class Member had a net loss, after all profits from transactions in DHB common stock, put calls or other options during the Class Period are subtracted from all losses. No distributions to Authorized Claimants who would otherwise receive less than \$10.00 will be made.

The Court has reserved jurisdiction to allow, disallow or adjust the claim of any Class Member on equitable grounds.

VIII. PARTICIPATION IN THE CLASS

If you fall within the definition of the Class, you are a Class Member unless you elect to be excluded from the Class (*see* Section IX. below). If you do not request to be excluded from the Class, you will be bound by any Judgment entered with respect to the Settlement in the Class Action whether or not you submit a Proof of Claim and Release form.

If you are a Class Member, you need do nothing (other than timely submit a properly filled out Proof of Claim and Release form if you wish to participate in the distribution of the Net Settlement Fund). Your interests will be represented by Class Plaintiffs' Counsel. If you choose, you may enter an appearance individually or through your own counsel at your own expense.

TO PARTICIPATE IN THE DISTRIBUTION OF THE NET SETTLEMENT FUND, YOU MUST TIMELY COMPLETE AND RETURN THE PROOF OF CLAIM AND RELEASE FORM THAT ACCOMPANIES THIS NOTICE. The Proof of Claim and Release form must be postmarked on or before _____, 2007, and sent to the Claims Administrator at the address below. Unless the Court orders otherwise, if you do not timely submit a valid Proof of Claim and Release form, you will be barred from receiving any payments from the Net Settlement Fund, but will in all other respects be bound by the provisions of the Stipulation and the Judgment.

IX. EXCLUSION FROM THE CLASS

You may request to be excluded from the Class. To do so, you must mail a written request stating that you wish to be excluded from the Class to:

In re DHB, Inc. Securities Litigation
Claims Administrator
c/o Gilardi & Co. LLC
P.O. Box 8040
San Rafael, CA 94912-8040

The request for exclusion must state: (1) your name, address, and telephone number; and (2) all purchases and other acquisitions of DHB securities (including common stock, puts, calls and other securities) made during the Class Period, including the dates of purchase or acquisition, the number of shares of such securities purchased or otherwise acquired and the price paid or received per share. YOUR EXCLUSION REQUEST MUST BE POSTMARKED ON OR BEFORE _____, 2007, AND, IN ORDER TO BE VALID, MUST CONTAIN ALL OF THE FOREGOING INFORMATION. IF YOU SUBMIT A VALID AND TIMELY REQUEST FOR EXCLUSION, YOU SHALL HAVE NO RIGHTS UNDER THE SETTLEMENT, SHALL NOT SHARE IN THE DISTRIBUTION OF THE NET SETTLEMENT FUND, AND SHALL NOT BE BOUND BY THE STIPULATION OR THE JUDGMENT, AND YOU WILL NOT BE DEEMED TO HAVE RELEASED ANY OF THE DEFENDANTS.

X. DISMISSAL AND RELEASES

If the Settlement is approved, the Court will enter a Judgment in the Class Action. The Judgment will dismiss the Released Class Claims (including all Unknown Claims) with prejudice as to all Released Class Persons.

The Judgment will also provide that all Class Members who have not validly and timely requested to be excluded from the Class shall be deemed to have released and forever discharged all

Released Class Claims (to the extent Members of the Class have such claims) (including all Unknown Claims) against all Released Class Persons.

In addition, at the Settlement Hearing, the Court will be asked to approve the Settlement reached in the Derivative Action and to thereafter dismiss the Derivative Action with prejudice. The effectiveness of the Settlement of the Class Action is conditioned upon the effectiveness of the Settlement of the Derivative Action, and vice versa.

XI. APPLICATION FOR FEES AND EXPENSES

At the Settlement Hearing, Class Plaintiff's Counsel will request the Court to award attorneys' fees not to exceed 25% of the Settlement Fund, plus reimbursement of the expenses, not to exceed \$350,000.00, which were incurred in connection with the Class Action, plus interest thereon. In addition, the Class Plaintiffs in the Class Action may seek compensation of up to \$25,000.00 each for their costs and expenses incurred in prosecuting the Class Action. This compensation will be paid from the Settlement Fund. Class Members are not personally liable for any such fees, expenses or compensation.

To date, Class Plaintiffs' Counsel have not received any payment for their services in conducting the Class Action, nor have counsel been reimbursed for their out-of-pocket expenses incurred. The fees requested are within the range of fees awarded to plaintiffs' counsel under similar circumstances in litigation of this type.

XII. CONDITIONS FOR SETTLEMENT

The Settlement is conditioned upon the occurrence of certain events described in the Stipulation. Those events include, among other things: (1) entry of the Judgments by the Court, including a Judgment dismissing the Derivative Action, as provided for in the Stipulation; and (2) expiration of the time to appeal from or alter or amend the Judgments. If, for any reason, any one of the conditions described in the Stipulation is not met, the Stipulation might be terminated and, if

terminated, will become null and void, and the parties to the Stipulation will be restored to their respective positions as of July 12, 2006, before a certain Memorandum of Understanding was executed by the Settling Parties.

XIII. THE RIGHT TO BE HEARD AT THE HEARING

Any Class Member who has not validly and timely requested to be excluded from the Class, and who objects to any aspect of the Settlement, the Plan of Allocation, the application for attorneys' fees and expenses, or the Class Plaintiffs' request for cost and expense reimbursement, may appear and be heard at the Settlement Hearing. Any such Person must file a written notice of objection, filed with the Clerk of the Court on or before _____, 2007, and served by hand or first class mail on each of the following:

		EXHIBIT C

WHEREAS, the parties have made application, pursuant to Federal Rule of Civil Procedure 23.1, for an order approving the settlement (the “Settlement”) of the Derivative Action, in accordance with a Stipulation and Agreement of Settlement dated as of November 30, 2006 (the “Stipulation”), which, together with the Exhibits annexed thereto, sets forth the terms and conditions for a proposed Settlement and dismissal of the Derivative Action and a certain Class Action (collectively, the “Actions”), upon the terms and conditions set forth therein; and

WHEREAS, all capitalized terms contained herein shall have the same meanings as set forth in the Stipulation (in addition to those capitalized terms defined herein); and

WHEREAS, and the Court having read and considered the Stipulation and the Exhibits annexed thereto:

NOW, THEREFORE, IT IS HEREBY ORDERED:

1. The Court does hereby preliminarily approve, subject to further consideration at the Settlement Hearing described below, the Stipulation and the Settlement set forth therein, including the terms and conditions for settlement and dismissal with prejudice of the Derivative Action.

2. A hearing (the “Settlement Hearing”) shall be held before this Court on _____, 2007, at __:__ __.m., at the Alfonse M. D’Amato Federal Building, United States District Court, 100 Federal Plaza, Central Islip, New York 11722-4438, to determine whether the Settlement of the Derivative Action and the Class Action on the terms and conditions provided for in the Stipulation is fair, reasonable and adequate to the Current DHB Shareholders, to DHB and to the Members of the Class and should be approved by the Court; whether a Judgment as provided in §1, ¶1.18 of the Stipulation should be entered herein; and to determine whether the application of Derivative Counsel for an award of attorneys’ fees and reimbursement of expenses should be

granted. The Court may adjourn the Settlement Hearing or modify any of the dates set forth herein without further notice to the Current DHB Shareholders.

3. The Court approves, as to form and content, the Notice of Pendency and Settlement of Derivative Action (“Derivative Notice”) and Summary Notice for Publication of Settlement of Derivative Action (“Summary Derivative Notice”) annexed as Exhibits C-1 and C-2 hereto, and finds that the mailing and distribution of the Derivative Notice and publishing of the Summary Derivative Notice, substantially in the manner and form set forth in this Order, meets the requirements of Federal Rule of Civil Procedure 23.1 and due process, and is the best notice practicable under the circumstances and shall constitute due and sufficient notice to all Persons entitled thereto.

4. Gilardi & Co. LLC (“Claims Administrator”) is hereby appointed to supervise and administer the notice procedure as more fully set forth below:

(a) Not later than _____, 2006, (the “Notice Date”), Derivative Counsel shall cause a copy of the Derivative Notice substantially in the form annexed as Exhibit C-1 hereto to be mailed by first class mail to the Current DHB Shareholders.

(b) Not later than _____, 2006, Derivative Counsel shall cause the Summary Derivative Notice to be published once in *Investor’s Business Daily*; and

(c) At least seven (7) business days prior to the Settlement Hearing, Derivative Counsel shall serve on counsel for the Defendants in the Derivative Action and file with the Court proof, by affidavit or declaration, of such mailing and publishing.

5. Nominees who held or hold the common stock of DHB on behalf of any Person shall send the Derivative Notice to such beneficial owners of DHB common stock within ten (10) days after receipt thereof, or send a list of the names and addresses of such beneficial owners to the

Claims Administrator within ten (10) days of receipt thereof, in which event the Claims Administrator shall promptly mail the Derivative Notice to such beneficial owners.

6. All Current DHB Shareholders shall be bound by all orders, determinations and judgments in the Derivative Action concerning the Settlement, whether favorable or unfavorable to the Current DHB Shareholders or any of them.

7. Any Current DHB Shareholders may enter an appearance in the Derivative Action, at his, her or its own expense, individually or through counsel of his, her or its own choice. If he, she or it does not enter an appearance, he, she or it will be represented by Derivative Counsel.

8. Pending final determination of whether the Settlement should be approved, no Current DHB Shareholder, either directly, representatively, or in any other capacity, shall commence or prosecute against any of the Released Derivative Persons, any action or proceeding in any court or tribunal asserting any of the Released Derivative Claims.

9. All papers in support of the Settlement and any application for attorneys' fees and expenses shall be filed with the Court and served by overnight mail or hand delivery on or before seven (7) days before the Settlement Hearing.

10. Any Current DHB Shareholder may appear and show cause, if he, she or it has any, why the Settlement of the Derivative Action should not be approved as fair, reasonable and adequate, or why a Judgment should not be entered thereon, or why attorneys' fees and expenses should not be awarded to Derivative Counsel as requested; provided, however, that no Current DHB Shareholder shall be heard or entitled to contest the approval of the terms and conditions of the Settlement, or, if approved, the Judgment to be entered thereon approving the same, or the attorneys' fees and expenses to be awarded to Derivative Counsel, unless that Person, on or before _____, 2007, has filed with the Clerk of the Court and served on the following counsel

14. Neither the Derivative Defendants nor Derivative Defendants' Counsel shall have any responsibility for any application for attorneys' fees and expenses submitted by Derivative Counsel and such matters will be considered separately from the fairness, reasonableness and adequacy of the Settlement.

15. Neither the Stipulation, nor any of its terms or provisions, nor any of the negotiations or proceedings connected with it, shall be construed as an admission or concession by Derivative Defendants or any of them of the truth of any of the allegations in the Derivative Action, or of any liability, fault, or wrongdoing of any kind.

16. The Court reserves the right to adjourn the date of the Settlement Hearing or modify any other dates set forth herein without further notice to the Current DHB Shareholders, and retains jurisdiction to consider all further applications arising out of or connected with the Settlement. ALL ACTIONS.	:	
_____	x	EXHIBIT C-1

TO: ALL HOLDERS OF DHB INDUSTRIES, INC. (“DHB”) COMMON STOCK AS OF NOVEMBER 30, 2006

PLEASE READ THIS NOTICE CAREFULLY

IT MAY AFFECT YOUR RIGHTS

THIS NOTICE RELATES TO A SETTLEMENT OF A SHAREHOLDERS’ DERIVATIVE ACTION AND CLAIMS ASSERTED THEREIN ON BEHALF OF DHB.

This Notice is given pursuant to an Order of the United States District Court for the Eastern District of New York (the “Court”). The purpose of the Notice is to advise you that the above-entitled action (the “Derivative Action”) is now pending in the Court and that the parties thereto have reached a settlement (the “Settlement”), as set forth in a Stipulation of Settlement dated as of November 30, 2006 (the “Stipulation”), which will fully, finally and forever resolve the Derivative Action on the terms and conditions set forth in the Stipulation and summarized in this Notice.

This Notice is not intended to be and should not be construed as an expression of any opinion by the Court with respect to the truth, validity or merits of the allegations or claims made in the Derivative Action or of the validity or merits of the defenses asserted. This Notice is merely to advise you of the pendency and Settlement of the Derivative Action and of your rights thereunder.

I. THE SETTLEMENT HEARING

A hearing (the “Settlement Hearing”) will be held before the Honorable Joanna Seybert, United States District Judge, on _____, 2007, at __:__ .m., at the Alfonse M. D’Amato Federal Building, United States District Court, 100 Federal Plaza, Central Islip, New York 11722-4438, for the purpose of determining whether the Settlement is fair, reasonable and adequate, whether it should be approved by the Court, whether a Judgment should be entered dismissing the Derivative Action with prejudice, and whether an application by Derivative Counsel for attorneys’ fees and reimbursement of expenses should be granted. The Settlement Hearing may be continued

or adjourned from time to time by the Court at the Settlement Hearing or at any continued or adjourned session thereof without further notice. Any of the dates set forth herein may also be modified by the Court without further notice.

II. THE DERIVATIVE ACTIONS AND THE CLASS ACTIONS

On and after September 14, 2005, multiple actions were filed in the Court as derivative actions on behalf of DHB. The complaints in the derivative actions generally allege causes of action for breach of fiduciary duty, abuse of control, gross mismanagement, waste of corporate assets, and unjust enrichment. On January 31, 2006, the Court consolidated the derivative actions filed as *In re DHB Industries, Inc. Derivative Litigation*, No. CV 05-4345(JS)(ETB) and appointed Robbins Umeda & Fink, LLP and Law Offices of Thomas G. Amon as Co-Lead Counsel in the Derivative Action (“Derivative Counsel”).

On and after September 9, 2005, multiple actions were filed in the Court as class actions on behalf of persons who purchased the publicly traded shares of DHB, alleging violations of §§10(b) and 20(a) of the Securities Exchange Act of 1934 (15 U.S.C. §§78(j)(b) and 78(t)). On January 31, 2006, the Court consolidated the class actions filed as *In re DHB Industries, Inc. Sec. Litig.*, No. CV 05-4296(JS)(ETB) (the “Class Action”) and appointed RS Holdings, NECA-IBEW Pension Fund (the “Decatur Group”) and George Baciu as Lead Plaintiffs (the “Class Plaintiffs”) pursuant to provisions of the Private Securities Litigation Reform Act of 1995 (the “PSLRA”) and approved the Class Plaintiffs’ choice of Lerach Coughlin Stoia Geller Rudman & Robbins LLP and Labaton Sucharow & Rudoff LLP as Lead Counsel.

The Derivative Action is being settled contemporaneously with the settlement of the Class Action. Approval of the Settlement of the Class Action is a condition to the effectiveness of the Settlement of the Derivative Action, and vice versa. A separate “Notice of Pendency and Settlement of Class Action” is being sent to Members of the Class, contemporaneously herewith.

III. CLAIMS OF THE DERIVATIVE PLAINTIFF AND BENEFITS OF THE SETTLEMENT

The Derivative Plaintiff believes that the claims asserted in the Derivative Action have merit. However, he and Derivative Counsel recognize and acknowledge the expense and length of continued proceedings necessary to prosecute the Derivative Action against the Derivative Defendants through trial and appeal. He and Derivative Counsel also have taken into account the uncertain outcome and the risk of any litigation, especially in complex actions such as the Derivative Action, as well as the difficulties and delays inherent in such litigation. He and Derivative Counsel also are mindful of the inherent problems of proof of and possible defenses to the violations asserted in the Derivative Action. He and Derivative Counsel believe that the Settlement summarized in this Notice is beneficial to DHB. Specifically, DHB benefits by the adoption of the corporate governance proposals and other terms described herein, and by avoiding the costs and distraction to current management in litigating the derivative claims.

IV. DERIVATIVE DEFENDANTS' DENIALS OF WRONGDOING AND LIABILITY

The Derivative Defendants have denied and continue to deny each and all of the claims and contentions alleged by the Derivative Plaintiff in the Derivative Action. The Derivative Defendants expressly have denied and continue to deny all charges of wrongdoing or liability against them or any of them arising out of any of the conduct, statements, acts or omissions alleged, or that could have been alleged, in the Derivative Action. The Derivative Defendants also have denied and continue to deny, *inter alia*, the allegations that DHB has suffered damage or that DHB was harmed by any of the conduct alleged in the Derivative Action.

Nonetheless, the Derivative Defendants have concluded that further conduct of the Derivative Action would be protracted, expensive, and distracting to DHB's management and that it is desirable and beneficial that the Derivative Action be fully and finally settled in the manner and

upon the terms and conditions summarized herein. The Derivative Defendants also have taken into account the uncertainty and risks inherent in any litigation, especially in complex cases like the Derivative Action.

In addition, Released Derivative Claims includes, without limitation, a release by DHB of David H. Brooks and Dawn M. Schlegel, and each of them, from any and all liability under §304 of the Sarbanes-Oxley Act of 2002 to reimburse DHB for any bonus or other incentive-based or equity

based compensation received by them or either of them, or for any profits realized by them or either of them from the sale of any securities of DHB.

15. “Released Derivative Persons” means the Derivative Defendants, and each of them, and each of their respective Related Persons in their capacities as such.

16. “Settling Parties” means, collectively, each of the Defendants, and the Class Plaintiffs and the Derivative Plaintiff on behalf of, respectively, themselves, the Members of the Class, the Current DHB Shareholders, and derivatively on behalf of DHB.

With respect to any and all Released Derivative Claims, the Settling Parties have stipulated and agreed that, upon the Effective Date, the Derivative Plaintiff and DHB, and each of the Current DHB Shareholders, shall be deemed to have, and by operation of the Judgments shall have, waived the provisions, rights and benefits of California Civil Code §1542, which provides:

A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.

The Derivative Plaintiff, DHB and each of the Current DHB Shareholders, shall be deemed to have, and by operation of the Judgments shall have, waived any and all provisions, rights and benefits conferred by any law of any state or territory of the United States, or principle of common law, which is similar, comparable or equivalent to California Civil Code §1542. The Derivative Plaintiff, DHB, and each of the Current DHB Shareholders may hereafter discover facts in addition to or different from those which he, she or it now knows or believes to be true with respect to the

Released Derivative Claims, but the Derivative Plaintiff, DHB, and each of the Current DHB Shareholders, upon the Effective Date, shall be deemed to have, and by operation of the Judgments shall have, fully, finally, and forever settled and released any and all Released Derivative Claims, known or unknown, suspected or unsuspected, contingent or non-contingent, accrued or unaccrued, whether or not concealed or hidden, which now exist, or heretofore have existed upon any theory of law or equity now existing or coming into existence in the future, including, but not limited to, conduct which is negligent, intentional, with or without malice, or a breach of any duty, law or rule, without regard to the subsequent discovery or existence of such different or additional facts. The Derivative Plaintiff, DHB, and each of the Current DHB Shareholders, shall be deemed by operation of the Judgments to have acknowledged that the foregoing waivers were separately bargained for and are key elements of the Settlement of which this release is a part.

VI. THE SETTLEMENT

Derivative Counsel have investigated the facts and the applicable law regarding the alleged claims of DHB on whose behalf they are acting and the potential defenses thereto. Based on this investigation, Derivative Counsel has agreed with DHB that it is in the best interests of DHB and the Current DHB Shareholders to settle the Derivative Action on the following terms:

DHB shall adopt the Corporate Governance Principles and Policies set forth below. The Settling Parties acknowledge that the Corporate Governance Principles and Policies set forth below were jointly developed and negotiated by the Class Plaintiffs, the Derivative Plaintiff, Counsel in the Class Action and Counsel in the Derivative Action. DHB shall adopt these Corporate Governance Principles and Policies no later than the Effective Date of the Settlement, or as soon as practicable thereafter and shall maintain the same in effect for at least two years. Nothing in these Principles and Policies shall dilute any existing or future legal requirements to which DHB is subject as a public corporation or as a publicly-traded stock on any national listing.

CORPORATE GOVERNANCE PRINCIPLES AND POLICIES

A. THE ROLE OF THE BOARD OF DIRECTORS

1. Direct the Affairs of DHB Industries Inc. (the “Company”) for the Benefit of Stockholders

The primary responsibility of directors is to oversee the affairs of the Company for the benefit of stockholders. The Board of Directors (the “Board”) agrees that day-to-day management of the Company is the responsibility of management and that the role of the Board is to oversee management’s performance of that function. The Board shall also mandate and administer a corporate compliance program, which shall include the creation of a Company Code of Business and Ethics, the maintenance of accounting, financial and other controls, and the review of the adequacy of such controls.

2. Long Range Strategy Development

Long range strategic issues should be discussed as a matter of course at regular Board meetings. The Board may choose to devote one of its regularly scheduled meetings exclusively to strategic planning.

3. Review of Financial Goals and Performance

The Board reviews the annual operating plan and specific goals at the start of the fiscal year and financial performance quarterly (actual and in comparison to plan). The Board also believes it is important to establish and evaluate both short and long term objectives.

4. Ethical Business Environment

The Board insists on an ethical business environment that focuses on adherence to both the letter and the spirit of regulatory and legal mandates. The Board expects that management will conduct operations in a manner supportive of this view. The Board is committed to avoiding any transactions that compromise, or appear to compromise, director independence. The Company shall prepare for the Board’s review and approval a Code of Business Conduct and Ethics, and shall receive periodic reports from the Company’s General Counsel with respect to such Code.

5. Chairman and Chief Executive Officer Performance Evaluation

The Chairman and Chief Executive Officer’s performance should be evaluated annually and as a regular part of any decision with respect to their respective compensation. The Board shall delegate the performance and compensation evaluation as it deems appropriate to specified Board members or to the Compensation Committee of the Board. Notwithstanding such delegation, however, the Board as a whole shall be responsible for the oversight of the

Chairman, Chief Executive Officer and senior management. The offices of the Chairman and the Chief Executive Officer may be from time to time combined and may be from time to time separated. The Board has discretion in combining or separating the positions as it deems appropriate in light of prevailing circumstances.

6. Succession Planning

The Board is responsible for succession planning. The Board will have the Chairman and Chief Executive Officer annually review with the independent directors the abilities of the key senior managers and their likely successors. Additionally, the independent directors may meet periodically to discuss, among other things, management succession issues. As part of the succession and development process, the Board, or at the Board's direction, the Compensation Committee, will familiarize itself with the Chairman's and Chief Executive Officer's direct reports through periodic management and operating reports and meetings. The independent directors shall call a meeting upon any sudden temporary or permanent incapacity of the Chairman or Chief Executive Officer.

7. Material Transactions

The Board shall evaluate and, if appropriate, approve all material Company transactions not arising in the ordinary course of business.

8. Stockholder Communications; Attendance at Annual Stockholders Meetings

The Board shall establish procedures to allow for stockholders to communicate directly with the Board, the non-management directors, and the committees of the Board. To further facilitate stockholder communication with the Board, all directors are encouraged to attend the Company's Annual Meeting of Stockholders.

9. Governing Documents

In the event of any conflict between the Company's Certificate of Incorporation, By-laws and these Principles and Policies, the Certificate shall first govern and next the By-law and then these Principles and Policies, in that order.

B. MEETINGS OF THE BOARD OF DIRECTORS

1. Selection of Chairman of the Board

The Chairman of the Board shall be selected by the Board. The Chairman will be elected annually and shall serve at the pleasure of the Board.

2. Frequency of Meetings

The Board will regularly meet at least one time each quarter and one quarterly meeting may be in conjunction with the annual meeting of stockholders. An annual calendar for the succeeding year will be agreed upon from time to time. Special meetings may be called as necessary.

While the Board recognizes that directors discharge their duties in a variety of ways, including personal meetings and telephone contact with management and others regarding the business and affairs of the Company, the Board shall inform its members that it feels it is the responsibility of individual directors to make themselves available to attend both regular and special Board and committee meetings on a consistent basis. Active attendance at meetings shall be taken into account in the determination whether to nominate for reelection any director.

3. Meetings of Independent Directors

Independent directors should meet routinely and regularly without management as they deem appropriate in their discretion, and should meet at any time upon the request of any director.

4. Access to Management and Outside Experts

Board members shall have reasonable direct access to the Chairman, Chief Executive Officer, Chief Operating Officer and General Counsel, in their discretion. The Board shall have access to other members of senior management on a case by case basis after a courtesy call to the Chairman or Chief Executive Officer. Upon prior notice to the Chairman and/or General Counsel, the Board or a Board committee may seek legal or other expert advice from a source independent of management. Board members will use judgment to ensure that contact with management is not distracting to the business operation of the Company and that such contact, if in writing, be copied to the Chairman, Chief Executive Officer and General Counsel.

5. Attendance of Non-Directors at Meetings

The Chairman and the Chief Executive Officer shall have discretion to invite any members of management, other Company employees or third parties they deem appropriate to attend Board meetings at appropriate times, subject to the Board's right to request that such attendance be limited or discontinued. The Board shall have the authority to request non-management guests to sign a confidentiality agreement in form satisfactory to the General Counsel prior to such guest's participation in any Board or committee meeting. The Board and committees may exclude any guest from part or all of any meeting upon its determination that it is in the best interests of the Company to do so.

6. Agendas and Presentations

The Board shall indicate it believes the Chairman and Chief Executive Officer are jointly responsible, and should establish, the agenda for each Board meeting, taking into account suggestions of Board members. Board members may include particular items on the agenda by contacting the Chairman and the Chief Executive Officer and the Chairman and Chief Executive Officer are expected to ask directors for their suggestions or opinions on possible agenda items before each meeting.

As with the agenda, the Board shall indicate it believes that the Chairman and Chief Executive Officer should determine the form of each presentation to the Board and the person to make such presentation. Each meeting should include reports from the Board committees, as appropriate.

It shall be the policy of the Board that the Chief Executive Officer or Chief Financial Officer will give a presentation on the financial and operating results of the Company and related issues at each Board meeting.

7. Information Flow

The Board shall receive salient information helpful in understanding the presentations, discussions and issues to be covered at such meeting, in writing and sufficiently in advance of such meeting to permit appropriate review. Where appropriate, longer and more complex documents shall contain executive summaries. Absent unusual circumstances, in no event will such information be distributed less than three days in advance of any regular Board meeting and 24 hours in advance of any special meeting.

The Board shall periodically review the information flow to Board members to ensure that directors receive the right kind and amount of information from management in sufficient time to prepare for meetings. The Chairman or Chief Executive Officer, or their designee, shall coordinate the information flow to the directors, periodically discuss director satisfaction with Board materials with individual directors and encourage directors to offer suggestions on materials. In addition, this topic shall be considered annually by the independent directors as part of its regular review of Board performance.

8. Additional Service

From time to time the Company may request the services of a Board member other than in his or her capacity as a director. In such situations, before assigning any task to a Board member that would require additional compensation, the Chairman, Chief Executive Officer or General Counsel shall first review such assignment with the Compensation Committee. Any Board member requested to perform services by the Company that he or she believes do not lie within his or her capacity as a director, shall inform the Compensation Committee prior to accepting such

assignment. Any such engagement will be consistent with the independence requirements of the American Stock Exchange.

C. BOARD STRUCTURE

1. Composition of Board

The majority of the members of the Board shall be independent directors. Independent directors should have appropriate skills and characteristics required of Board members. This assessment should include issues of diversity, age and skills, all in the context of an assessment of the perceived needs of the Board at that point in time. Unless otherwise determined by a majority of the independent directors, all independent directors shall offer their resignation as a matter of course upon a change in employer or other significant changes in their professional roles or responsibilities that might reasonably be seen to affect their ability to serve, and the Board shall consider the appropriateness of continued service in light of such changes. Any such resignation shall be communicated to the Chairman or Chief Executive Officer and may be considered by the Board or by the independent directors.

The Chairman, Chief Executive Officer, and any other directors other than independent directors, shall offer his or her resignation from the Board as a matter of course upon resignation or any other significant change in his or her professional roles or responsibilities, unless otherwise provided in such individual's employment, consulting or other agreement with the Company.

Any resignation submitted as a matter of course shall be reviewed by the Board as a whole or at the Board's direction the independent directors, and, if the Board or such independent directors determines that such director continues to contribute significantly to the Company, the director's membership on the Board may continue.

To the extent that they serve on DHB's Board of Directors at the time of the Effective Date of the settlement, Cary Chasin, Gary Nadelman and Barry Berkman shall be replaced as Board members within one year. Upon cessation of employment and/or service on the Board of Directors, David H. Brooks, Terry Brooks, Dawn Schlegel, Sandra Hatfield, Cary Chasin, Jerome Krantz, Gary Nadelman, Barry Berkman and Jeffrey Brooks will be barred for a period of 5 years from any employment (direct or indirect) at DHB or any of its subsidiaries or affiliates (but not including Tactical Armor Products, Inc., if the same may be deemed to be such an affiliate), including, but not limited to, serving in any manner of consultant or in any capacity on or in service to the Board of Directors.

2. Definition of Independent Director

The Board of Directors defines an "independent director" as a director who, in the opinion of the Board meets the independence requirements of the American Stock Exchange or other market or exchange on which the Company's stock may be

listed. To evaluate “independence,” the Board may consider all relevant factors. The Board recognizes that director independence is an issue that is actively being reviewed by multiple constituencies and may amend its criteria for determining what constitutes an “independent director” to reflect changing standards.

3. Size of the Board

The Board acknowledges that it should not be too large and understands that the size of the Board will fluctuate from time to time depending on circumstances. The independent directors will make recommendations regarding increasing or decreasing size from time to time.

4. Director Retirement Age and Term Limits

The Board believes that consistent quality in the directorship can be achieved effectively without term limits or any mandatory retirement age. However, each director shall stand for election or re-election annually and serve a one-year term.

5. Director Appointments

A majority of the independent directors shall nominate candidates for election to the Board. It is the independent directors’ responsibility to make director recommendations to the full Board for appointments to fill vacancies of any unexpired term on the Board and to recommend nominees for submission to stockholders for approval at the time of the Annual Meeting.

The Company does not set specific criteria for directors except to the extent required to meet applicable legal, regulatory and exchange requirements. The Board shall seek candidates that show evidence of leadership in their particular field, have broad experience and the ability to exercise sound business judgment, have specific knowledge about the Company’s business and be able to network in a way to promote the Company’s interests.

6. Director Evaluation

The independent directors shall prepare, for the Board’s review and approval, Board and director assessment methods and criteria, taking the Chairman’s and Chief Executive Officer’s views into consideration. The independent directors shall annually evaluate the Board’s overall performance and evaluate individual directors performance using the Board approved methods and criteria for such review.

7. Director Compensation and Stock Ownership

The Board believes that the level of director compensation generally should be competitive with that paid to directors of other corporations of similar size and profile in the United States. The Compensation Committee is responsible for making recommendations for the full Board’s review and approval with respect to director compensation and benefit programs.

8. Interlocking Directorates

All directors shall seek approval from the independent directors prior to accepting any other board memberships in for-profit companies to avoid legally impermissible interlocking directorships or other conflicts of interest; provided that no director shall serve on more than four (4) outside public boards of for-profit companies. Similarly, the Chairman, Chief Executive Officer and other members of management shall seek approval of the Board prior to accepting outside board memberships in for-profit companies.

D. COMMITTEES OF THE BOARD

1. Number and Types of Committees

The Board shall create and disband committees depending on the particular interests of the Board, issues facing the Company and legal requirements. The current “standing” committees of the Board (that is, committees expected to operate over an extended period) are the Audit Committee, the Compensation Committee, and the Corporate Governance Committee. Each Committee shall be comprised solely of Independent Directors, as described in §C.2. The independent directors shall periodically recommend changes to the composition of the Board committees. Directors shall be free to make suggestions regarding committees at any time and are encouraged to do so. The Board shall consider from time to time the committee structure as part of the review of overall Board effectiveness. The composition, members and responsibilities will also be defined periodically by the Board.

2. Assignment and Rotation of Committee Members

The Board shall make assignments within the following guidelines: assignments may be rotated periodically, though not necessarily within any specified time frame; all shall be comprised solely of independent directors; and committee assignments must comply with any applicable stock exchange and legal requirements. The Chairman of the Audit Committee and other Audit Committee members shall meet the financial sophistication and independence requirements of the American Stock Exchange and applicable law.

3. Frequency of Committee Meetings

Management will generally recommend an annual committee meeting schedule for all standing committees, but it shall be the responsibility of committee chairpersons, in consultation with committee members, to determine the frequency and length of committee meetings. The Audit Committee will meet at least quarterly; other committees will meet at least twice annually.

4. Committee Agendas

Committee chairpersons, in consultation with appropriate members of management and committee members, shall determine committee agendas. Any

director may suggest an item for consideration as part of any committee agenda. The Chief Financial Officer will act as the primary management liaison to provide committees requested financial data and analyses. The General Counsel will act as the management liaison to assemble and distribute agendas and facilitate minutes and reports preparation.

5. Committee Reports

Reports of committee meetings are submitted to the full Board following each committee meeting. Committee actions shall be binding consistent with such Committee's charter and applicable corporate law. Committee chairpersons shall be offered the opportunity to comment or report on committee activities at each Board meeting.

6. Specific Roles and Responsibilities

The specific roles and responsibilities of each committee shall be outlined in their respective charters.

In addition to the foregoing, as additional consideration for the Settlement, David H. Brooks has voluntarily resigned from the Board of Directors of DHB and from all of the other positions held by him in DHB and its subsidiaries. In addition, to the extent that they serve on DHB's Board of Directors at the time of the Effective Date of the Settlement, Cary Chasin, Gary Nadelman and Barry Berkman shall be replaced as Board members within one year thereafter. Also, upon cessation of employment and/or service on the Board of Directors, and for a period of five years thereafter, David H. Brooks, Dawn Schlegel, Sandra Hatfield, Cary Chasin, Jerome Krantz, Gary Nadelman and Barry Berkman will not be employed (directly or indirectly) by DHB or any of its subsidiaries or affiliates (but not including Tactical Armor Products, Inc., if the same may be deemed to be such an affiliate), including, but not limited to, serving in any manner of consultant or in any capacity on or in service to the Board of Directors. This same restriction on employment shall apply to Terry Brooks and Jeffrey Brooks, commencing as of the Effective Date.

Unless otherwise ordered by the Court, any Current DHB Shareholder who does not make his, her or its objection or opposition in the manner provided shall be deemed to have waived all objections and opposition to the fairness, reasonableness and adequacy of the Settlement and the application of Derivative Counsel for attorneys' fees and expenses.

IX. DISMISSAL AND RELEASES

If the Settlement is approved, the Court will enter a Judgment in the Derivative Action. The Judgment will dismiss the Released Derivative Claims (including all Unknown Claims) with prejudice as to all Released Derivative Persons. The Judgment will also provide that all Current DHB Shareholders and DHB shall be deemed to have released and forever discharged all Released Derivative Claims (to the extent the Current DHB Shareholders and DHB have such claims) (including all Unknown Claims) against all Released Derivative Persons.

In addition, at the Settlement Hearing, the Court will be asked to approve the Settlement reached in the Class Action and to thereafter dismiss the Class Action with prejudice. The effectiveness of the Settlement of the Derivative Action is conditioned upon the effectiveness of the Settlement of the Class Action, and vice versa.

X. APPLICATION FOR FEES AND EXPENSES

At the Settlement Hearing, Derivative Counsel will request the Court to award them attorneys' fees and expenses in the amount of \$300,000. The Current DHB Shareholders are not personally liable for any such fees or expenses.

To date, Derivative Counsel have not received any payment for their services in conducting the Derivative Action, nor have counsel been fully reimbursed for their out-of-pocket expenses incurred. The fees requested are within the range of fees awarded to plaintiffs' counsel under similar circumstances in litigation of this type.

XI. CONDITIONS FOR SETTLEMENT

The Settlement is conditioned upon the occurrence of certain events described in the Stipulation. Those events include, among other things: (1) entry of the Judgments by the Court, including a Judgment dismissing the Derivative Action, as provided for in the Stipulation; and (2) expiration of the time to appeal from or alter or amend the Judgments. If, for any reason, any one of the conditions described in the Stipulation is not met, the Stipulation might be terminated and, if terminated, will become null and void, and the parties to the Stipulation will be restored to their respective positions as of July 12, 2006, before a certain Memorandum of Understanding was executed by the Settling Parties.

XII. EXAMINATION OF PAPERS AND INQUIRIES

This Notice contains only a summary of the terms of the Settlement. For a more detailed statement of the matters involved in the Derivative Action and the Class Action, reference is made to the Stipulation which may be inspected at the Office of the Clerk of the United States District Court for the Eastern District of New York, Alfonse M. 	:	
This Document Relates To:	:	[PROPOSED] FINAL JUDGMENT AND
	:	ORDER OF DISMISSAL OF CLASS
ALL ACTIONS.	:	ACTION WITH PREJUDICE
	:	
	X	EXHIBIT D

This matter came before the Court for hearing pursuant to the Order of this Court, dated _____, 2006 (“Order”), on the application of the parties for approval of the settlement (the “Settlement”) set forth in the Stipulation and Agreement of Settlement dated as of November 30, 2006 (the “Stipulation”). Due and adequate notice having been given to the Class as required in said Order, and the Court having considered all papers filed and proceedings had herein and otherwise being fully informed in the premises and good cause appearing therefor, IT IS HEREBY ORDERED, ADJUDGED AND DECREED that:

1. This Judgment incorporates by reference the definitions in the Stipulation, and all capitalized terms used herein shall have the same meanings as set forth in the Stipulation.

2. This Court has jurisdiction over the subject matter of the Class Action, including all matters necessary to effectuate the Settlement, and over all parties to the Class Action, including all Members of the Class and the Class Defendants.

3. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, this Court hereby finally certifies a Class consisting of all Persons who purchased or otherwise acquired (including by exchange, conversion or otherwise) the publicly traded securities of DHB (including puts, calls and other securities) on or after November 18, 2003 until and including the November 30, 2006, and were allegedly damaged thereby. Excluded from the Class are the Class Defendants and the Derivative Defendants and Persons related to Defendants, including any subsidiaries or affiliates of DHB; the officers and directors of DHB during the Class Period; members of the individual Defendants’ immediate families; any person, firm, trust, officer, director or any individual or entity in which any Defendant has a controlling interest or which is related to, or affiliated with, any of the Defendants, and the legal representatives, agents, affiliates, heirs, successors-in-interest or assigns of any such excluded Person. Also excluded from the Class are those Persons who timely and validly

requested to be excluded from the Class pursuant to the “Notice of Pendency and Settlement of Class Action” sent to Class Members.

4. Except as to any individual claim of those Persons (identified in Exhibit 1 attached hereto) who have validly and timely requested exclusion from the Class, the Class Action and all Claims contained therein, as well as all of the Released Class Claims, are dismissed with prejudice. The Settling Parties are to bear their own costs, except as otherwise provided in the Stipulation.

5. The Court finds that the Stipulation and Settlement are fair, just, reasonable and adequate as to each of the Settling Parties, and hereby finally approves the Stipulation and Settlement in all respects and directs the Settling Parties to perform its terms to the extent the Settling Parties have not already done so.

6. Upon the Effective Date, each Class Plaintiff and each of the Class Members, on behalf of themselves and each of their present or former predecessors, successors, parents, subsidiaries, affiliates, officers, directors, employees, joint ventures, joint venturers, attorneys, insurers, excess insurers, advisors, investment advisors, auditors, accountants, custodians, agents, assigns, representatives, heirs, estates, executors, trusts, trustees, trust beneficiaries, administrators, spouses, marital communities, and immediate family members, having any legal or beneficial interest in the publicly traded securities of DHB during the Class Period, shall be deemed to have, and by operation of this Judgment shall have, fully, finally, and forever released, relinquished and discharged all Released Class Claims (including all Unknown Claims), and any and all Claims (including all Unknown Claims) relating to or arising out of or connected with the Settlement or the institution, prosecution, assertion, settlement or resolution of the Class Action, against all of the Released Class Persons, whether or not such Class Plaintiff or Class Member executes and delivers the Proof of Claim and Release.

7. Upon the Effective Date, each Class Plaintiff and each of the Class Members, and each of their present or future predecessors, successors, parents, subsidiaries, affiliates, officers, directors, employees, joint ventures, joint venturers, attorneys, insurers, excess insurers, advisors, investment advisors, auditors, accountants, custodians, agents, assigns, representatives, heirs, estates, executors, trusts, trustees, trust beneficiaries, administrators, spouses, marital communities, and immediate family members, having any legal or beneficial interest in the publicly traded securities of DHB during the Class Period, is hereby forever barred and enjoined from commencing, instituting or prosecuting any of the Released Class Claims (including all Unknown Claims), or any action or other proceeding, against any of the Released Class Persons based on, arising out of, related to, or connected with, the Released Class Claims (including all Unknown Claims).

8. Upon the Effective Date, each of the Released Class Persons shall be deemed to have, and by operation of this Judgment shall have, fully, finally, and forever released, relinquished and discharged each of the Class Plaintiffs, each and all of the Class Members and Class Plaintiffs' Counsel from all Claims (including all Unknown Claims), relating to or arising out of, or connected with the Settlement or the institution, prosecution, assertion, settlement or resolution of the Class Action, and/or the Released Class Claims.

9. Pursuant to and to the extent allowed by 15 U.S.C. §70u-4(f)(7)(A), all claims for contribution, however denominated, are barred.

10. The Court finds that the Notice of Pendency and Settlement of Class Action ("Class Notice") and Summary Notice for Publication of Settlement of Class Action ("Summary Notice," together with the Class Notice, "Notice") given to the Class was the best notice practicable under the circumstances, including mailing the individual Class Notice to all Members of the Class who could be identified through reasonable effort. Said Notice also provided the best notice practicable under

the circumstances of these proceedings and of the matters set forth therein, including the proposed Settlement set forth in the Stipulation, to all Persons entitled to such notice, and said Notice fully satisfied the requirements of Federal Rule of Civil Procedure 23 and the requirements of due process.

11. Any Plan of Allocation submitted by Class Plaintiffs' Counsel or any order entered regarding the attorneys' fees and expense application or the request for reimbursement of Class Plaintiffs' time and expenses shall in no way disturb or affect this Judgment and shall be considered separate and apart from this Judgment.

12. Neither the Stipulation nor the Settlement contained therein, nor any act performed or document executed pursuant to or in furtherance of the Stipulation or the Settlement: (a) is or may be deemed to be or may be used as an admission of, or evidence of, the validity of any Released Class Claim, or of any wrongdoing or liability of any of the Class Defendants or any of the Released Class Persons; or (b) is or may be deemed to be or may be used as an admission of, or evidence of, any fault or omission of any of the Class Defendants or any of the Released Class Persons, in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal. The Class Defendants and the Released Class Persons, or any of them, may file the Stipulation and/or this Judgment in any action that may be brought against them in order to support a defense or counterclaim based on principles of res judicata, collateral estoppel, release, good faith settlement, judgment bar or reduction or any theory of claim preclusion or issue preclusion or similar defense or counterclaim, or in related litigation as evidence of the Settlement.

13. Without affecting the finality of this Judgment in any way, this Court hereby retains continuing jurisdiction over: (a) implementation of the Settlement and any award or distribution of the Settlement Fund, including interest earned thereon; (b) disposition of the Settlement Fund;

(c) hearing and determining applications for attorneys' fees, interest and expenses in the Class Actions and reimbursement of Class Plaintiffs' costs and expenses; and (d) the Settling Parties for the purpose of construing, enforcing and administering the Stipulation and Settlement.

14. The Court finds that the Class Action was filed in good faith and in accordance with the Federal Rules of Civil Procedure, including Rule 11 of the Federal Rules of Civil Procedure.

15. In the event that the Effective Date does not occur or in the event that the Settlement Fund, or any portion thereof, is returned, then this Judgment shall be rendered null and void to the extent provided by and in accordance with the Stipulation and shall be vacated and, in such event, all orders entered and releases delivered in connection herewith shall be null and void to the extent provided by and in accordance with the Stipulation.

IT IS SO ORDERED.
